EDUCATIONAL VISIONING

Student Session #1
September 9, 2026

Please have seat and grab a name tag from the supply bag :-)

Today:

- Welcome & Why
- Meet your team
  - Name & name tag
  - Favorite thing about kindergarten
- Delaware Graduate
- Group Discussion

Goal of Educational Visioning

- Build on work the District is doing
- Determine its impact on instruction
- Consider how our facilities might best respond
- And finally, what does that mean to the Facility Master Plan

Our Shared Vision: The Delaware Graduate of 2040

Taken together, our community has described a graduate who is:

- A **Resilient Person** with a strong social-emotional foundation.
- An **Independent Thinker** who can solve problems and analyze information critically.

- An **Adaptable Technologist** who uses digital tools responsibly and effectively.
- A **Capable Adult** equipped with practical skills for life and career.

An **Engaged Explorer** who pursues their passions through diverse experiences.
